

Rx Fire Briefing 01/07/16

Week of 01/04 – 01/07

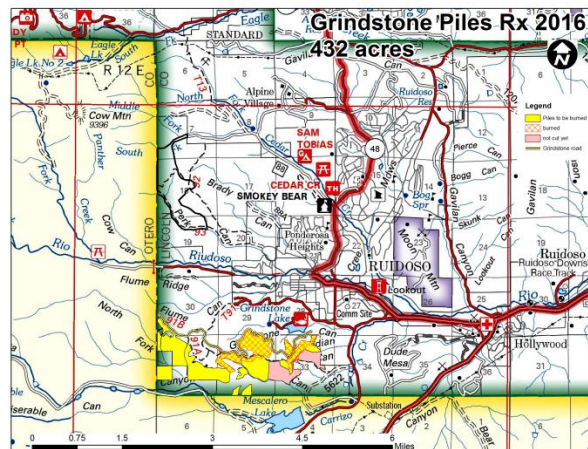

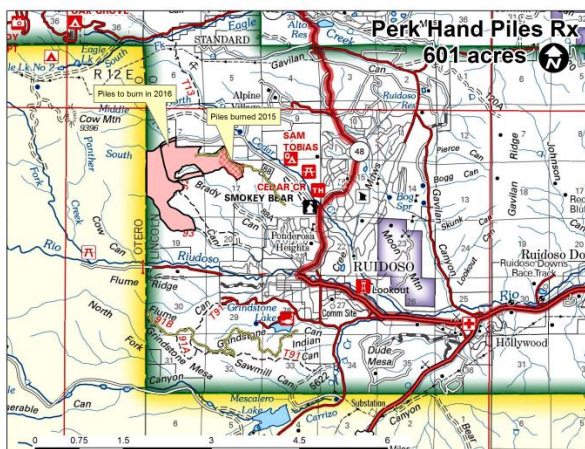

Accomplishments:

- Completed prescribed burning 40 acres of hand piled slash in the Perk Area.
- Slash consumption 75 - 95%.
- No smoke, holding or safety issues.
- Ventilation conditions and wet precipitation limited pile burning accomplishment.

Activities planned for 1/11 – 1/14:

- Pile burning is planned in two areas around the town of Ruidoso.
 - **Perk Area:** north of Perk Canyon, south of Cedar Creek, west of Mechem Drive and east of the Mescalero Reservation boundary.
 - **Grindstone Area:** north of Mescalero Lake, south of Grindstone Lake, west of Carrizo Canyon road and east of the Mescalero Reservation boundary.

- **Prescribed Fire Updates** are posted regularly at www.nmfireinfo.com.
- **Lincoln National Forest Fire Information Contact:** Forest Public Affairs Officer, 575-434-7290
